SATURDAY, JUNE 28, 1902.

COLLEGE has closed. For three months the town will take a nap, at least that is the general custom.

IF JUDGE CAMPBELL, of Onherst, who horse-whipped Dr. Crawford, survives the attacks of the press and prurit, he need not fear the law.

WE have had so much printing to do in the job office this week that the paper has been somewhat neglected. Next week we promise our friends to do better.

AFTER a solid year of work, the Constitutional Convention has adjourned sine die. The new fundamental law becomes effective on and after July 10. The Legislature meets July 15.

THE Newport News Press opposes Maynard and Lawless because they work for Portsmouth navy yard. Newport News has a ship-building plant that wants a friend in Congress, perhaps.

THE heart of the whole civilized world goes out to England and England's King, in his terrible illness. Many a prayer has gone up for him from the States. It looks now like he will recover. He is making a heroic struggle for the life that means so much to his people and the world.

IN POLITICS.

How the Candidates are Moving.

About the only new development in the politics of the Second District is the announcement of the candidacy of Dr. J. P. Bryant. He announced himself at the last moment, and his friends fear that he entered the race too late to win. The doctor will make a vigorous campaign, but he is handicapped by his age. A great many voters say that the varied interests of this district requires a strong young man to look after them.

In the meantime Lawless and Maynard are working hard, and their friends are doing likewise. Mr. Lawless was in Newport News one day this week, and expressed himself confident of carrying the district. He will meet the Democrats of this county and city at the July term of Court.

Mr. Maynard has not said when he will be here, but he may also come at the July term.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers' and grandmothers' never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. You can get Dr. G. G. Green's reliable remedies at Leonard Henley's drug store, Williamsburg, Va.

Old J. Anderson yesterday sold to Anton H. Anderson his half-interest in "Brown's" the home of Dr. Geo. Hanke for \$44,000.00.

Deaths of the Week.

Wednesday afternoon at 5 o'clock, Mr. Thomas Newman, Sr., of Magruder, passed away after a long and painful illness. He was 59 years of age, and had been twice married, his second wife and five children survive him.

There was not a better known or more deservedly popular man in York county than Thomas Newman. He was a brave Confederate soldier, serving in the artillery during the war. Just before its close he was taken prisoner and confined at Fort Monroe. He was treasurer of York county for nearly two terms and was an efficient officer. He was also a Mason, and a member of the Disciples church.

The funeral took place yesterday morning from York River Presbyterian church, Rev. C. E. Bishop, D.D., of this city officiating. The interment was at old Grace church, Yorktown, by the side of his first wife.

MRS. F. T. POWELL.
 Wednesday night Mrs. Powell, the wife of Mr. Peter T. Powell, passed peacefully away after a lingering illness. She was 74 years of age, and a most estimable Christian lady, having been for years a member of the Baptist church.

She was twice married, her first husband being a Mr. Finch, who edited a Norfolk newspaper. He died of yellow fever in the epidemic of '55. In 1867 she married Mr. Powell. She leaves one sister, Miss Elizabeth King, and a brother, Mr. John King, besides her husband, who is now in his 82d year.

The funeral took place yesterday from the Baptist church, Rev. H. T. Louthan officiating. The interment was in Cedar Grove.

DEATH OF A CHILD.
 The friends of Mr. and Mrs. G. R. Smith deeply sympathize with them in the death, which occurred Saturday night, of their only child a little daughter. It was only five months old, but was the idol of its parents. The interment was in Cedar Grove Sunday afternoon.

DEATH OF AN INFANT.
 On June 22, at the home of her grandfather, Mr. John W. Austin, near Ewell, little Ewell Ethel Austin, daughter of Mr. and Mrs. W. T. Austin, aged 5 years and 8 months, passed away. She was sick but a few days. She was visiting her grand-parents where she was to spend the rest of the summer, but was taken suddenly ill and died in a few days after her arrival. Her parents, grand parents and many near relatives sorely grieve and mourn her loss. She was loved by all who knew her.

Virulent Cancer Cured.
 Startling proof of a wonderful advance in medicine is given by druggist G. W. Roberts, of Elizabeth, W. Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed his case hopeless till he used Electric Bitters, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe poisons at the same time this salve exerts its matchless healing power, blood diseases, skin eruptions, ulcers and sores vanish. Bitters 50c, Salve 25c at Leonard Henley's Drug Store.

The Toano Colony.

TOANO, June 27.—Mr. C. M. Bergh is spending a few days at Tunstall station on the Southern Railway.

The orchestra is practicing for the Fourth of July celebration to be held at "Hill Pleasant" Farm. All are looking for a good time.

Mrs. Olaf and George Osmundsen and Thomas Narem, of Norfolk, were here visiting a few days ago and expect to be with us again on the Fourth.

Mr. O. P. Flatten had the misfortune to get his face poisoned by poison oak some time ago, and is not quite well yet. Mrs. Emma Elton is at Mr. Bergh's for a few days.

Mr. Anderson expects to start his saw mill again soon.

Mr. Larson is building a new barn on his farm.

Mrs. O. J. Anderson is spending a part of her time in Williamsburg, visiting with her daughter and others working at the knitting mill.

Farmers are busy shipping potatoes and obtaining good prices. There is a large acreage in this year.

Watermelons are doing well in this section.

Better Than Pills.

The question has been asked, "In what way are Chamberlain's Stomach & Liver Tablets superior to pills?" Our answer is: They are easier and more pleasant to take, more mild and gentle in effect and more reliable as they can always be depended upon. Then they cleanse and invigorate the stomach and leave the bowels in a natural condition while pills are more harsh in effect and their use is often followed by constipation. For sale by all Druggists.

New Kent News.

ROXBURY, June 26.—One of the saddest accidents that has occurred in this county for many a day was that which took place on Sunday last near Tunstall's. While Mr. Everett Duvall and family and Mrs. Westmore Jones were on their way from church, going down a steep hill some part of the harness broke, which frightened the team, causing them to run away. All the occupants were thrown out of the carriage which was badly wrecked. Mrs. Duvall had her arm broken and otherwise badly injured, while that of Mrs. Jones was more serious. She had the misfortune to have one of her lower limbs broken in two places and receiving other injuries which may prove fatal. Mr. Duvall and little son were badly shaken up, though not seriously hurt. No accident of late has caused such widespread sympathy, as all are very prominent and popular.

The Children's Day exercises at Providence Methodist Episcopal church was held on Sunday last. A large crowd was present and the exercises were delightfully entertaining, and the pieces rendered by the children showed careful training, and the popular Superintendent of the Sunday School deserves much credit in the way he conducted the exercises.

Mr. S. M. Crump, who has been quite sick for some time, is much better.

Mr. G. C. Tate, who accidentally shot himself some time ago, is around and all right.

Mr. Til Wright, of Toano, is with his uncle, Mr. R. E. Richardson, of Talleyville.

Miss Esther Wood, of Richmond, is visiting friends in the neighborhood.

"Jim Crow."

Leads Them All.

"One Minute Cough Cure beats all other medicines I ever tried for coughs, croup and throat and lung troubles," says D. Scott Currin of Logan, Pa. One Minute Cough Cure is the only absolutely safe cough remedy which acts immediately. Mothers everywhere testify to the good it has done their little ones. Croup is so sudden in its attacks that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take. Children like it. Sure cure for grip, bronchitis, coughs. Leonard Henley.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up his constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. A torpid liver and inactive bowels means a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Feyer Moundville, W. Va. "They do me more good than anything I have ever tried." Leonard Henley.

Happy Time in Old Town.

"We felt very happy," writes B. N. Beville, Old Town, Va., "when Bucklen's Arnica Salve wholly cured our daughter of a bad case of scald head." It delights all who use it for Cuts, Corns, Burns, Bruises, Boils, Ulcers, Eruptions. Infallible for Piles. Only 25c at Leonard Henley's Drug Store.

Filthy Temples in India.

Sacred cows often defile Indian temples, but worse yet is a body that's polluted by constipation. Don't permit it. Cleanse your system with Dr. King's New Life Pills and avoid untold misery. They give lively livers, active bowels, good digestion, fine appetite. Only 25c at Leonard Henley's Drug Store.

The Best Prescription for Malaria Chills and Fever is a bottle of Grove's Tasteless Chill Tonic. It is simply Iron and Quinine in a tasteless form, No Cure, No Pay. Price, 50c.

Read It in His Newspaper.

George Schaub, a well known German citizen of New London, Ohio, is a constant reader of the Dayton Volks-Zeitung. He knows that his paper aims to advertise only the best in its columns and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of his wonderful recovery. This valuable liniment is for sale by all Druggists.

A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. Leonard Henley.

My little son had an attack of whooping cough and was threatened with pneumonia; but for Chamberlain's Cough Remedy we would have had a serious time of it. It also saved him from several severe attacks of croup.—H. J. STRICKFADEN, editor World-Herald, Fair Haven, Wash. For sale by all Druggists.

Saved From An Awful Fate.

"Everybody said I had consumption," writes Mrs. A. M. Shields of Chambersburg, Pa. "I was so low after six months of severe sickness, caused by Hay Fever and Asthma, that few thought I could get well, but I learned of the marvelous merit of Dr. King's New Discovery for Consumption, used it, and was completely cured." For desperate Throat and Lung Diseases it is the safest cure in the world, and is infallible for Coughs, Colds and Bronchial Affections. Guaranteed bottles 50c and \$1.00. Trial bottles free at Leonard Henley's Drug Store.
